

## Dual 4" Two-Way Loudspeaker

# RVX-42

With similar flatness and styling to popular plasma and LCD televisions, the Klipsch Reference Series RVX-42 is a high-performance audio solution that complements this growing consumer electronics segment.

This on-wall model has a single-piece aluminum extrusion enclosure. It employs dual 4-inch aluminum woofers and uses a 1-inch titanium-dome compression driver mated to a round Tractrix® Horn for maximum clarity and efficiency.

Because the RVX-42 is 24-inches high, it looks great with 42-inch and larger plasma and LCD screens. It also features a J-box size, dual keyhole mount, plus OmniMount® provisions and a pedestal base. There are two insert locations on the RVX-42 where the pedestal can be positioned – one in the center and one on the bottom so the loudspeaker can serve as a center channel or bookshelf.

Available in the same black or silver finish as the Klipsch Reference Satellites, the RVX-42 can be combined with these compact speakers to create complete systems. For example, consumers can create a 5.1-channel surround sound system using a pair of RVX-54s, a pair of Reference Satellite RSX-4s for surrounds, a RVX-42 for a center channel and a Reference Series RW-12 subwoofer.

The RVX-42 is packaged and sold individually for mix-and-match simplicity.

## SPECIFICATIONS

<b>BANDWIDTH</b>	92Hz-20kHz ± 3dB
<b>SENSITIVITY</b>	94dB @ 2.83 volts/1 meter
<b>NOMINAL IMPEDANCE</b>	8 ohms compatible
<b>CROSSOVER FREQUENCY</b>	2175Hz
<b>POWER HANDLING</b>	75 watts (300 watts peak)
<b>ENCLOSURE TYPE</b>	Bass-reflex via dual side-firing ports
<b>DRIVE COMPONENTS</b>	Two way system using one 1" (2.5cm) magnetically shielded, titanium dome compression driver tweeter with an integral round 90° MicroTractrix Horn and two 4" (10.2cm) magnetically shielded, Cerametallic cone woofers
<b>WEIGHT</b>	14 lbs. (6.4kg) including base
<b>HEIGHT</b>	26.3" (66.7cm) including base– vertical 24" (61 cm) speaker only– vertical 8.3" (21cm) including base– horizontal 5.8" (14.6cm) speaker only– horizontal
<b>WIDTH</b>	7.4" (18.8cm) including base– vertical 5.8" (14.6cm) speaker only– vertical 24" (61 cm) with or without base– horizontal
<b>DEPTH</b>	7.4" (18.8cm) including base– vertical or horizontal 4.5" (11.4cm) speaker only– vertical or horizontal
<b>FINISH</b>	Black or Silver
<b>MOUNTING</b>	Keyhole mounts for vertical or horizontal placement and two 3/8" – 16 threaded inserts for vertical or horizontal placement
