OVER-EAR HEADSET WITH STYLISH FINISH

Built from the same durable material (Grilamid®) used in high-end eyewear, they exude both fashion and luxury. Grilamid® frame provides nearly indestructible construction while the gloss finish with subtle reflective highlights results in a piece that looks as great as it sounds.

PERFECTED COMFORT + ERGONOMICS

Form optimized for superior comfort and stability. Perfected architecture and ear cup rotation for maximum ergonomic fit and enhanced seal around the ear.

DYNAMIC NEODYMIUM DRIVERS

Full range 40mm dynamic drivers deliver full range sound with deep bass & NO DISTORTION.

MEMORY FOAM EAR CUPS

Allow for comfortable, long-term wear and superior noise-isolation.

HI-FI INSPIRED CABLES

2 detachable cloth cables like those used in premium hi-fi systems, fit any device with a 3.5 mm headphone jack and provide flexibility and functionality.

ADVANCED THREE-BUTTON MIC AND REMOTE

Offers full control of iPhone, iPod touch and iPod models, while allowing for seamless control of music and phone calls.
